

**LET'S CELEBRATE**

# POSTER CONTEST

THE **41**<sup>ST</sup> ANNUAL

**NEW JERSEY SCIENCE CONVENTION**

The theme of this year's poster is:

**“How Science Knowledge  
Shapes Our Changing World”**

The competition is open to all students in grades 8-12. The winner will receive a \$75 American Express gift certificate and have the honor of his/her artwork appearing on the cover of next year's convention booklet.

## Requirements:

Must be original artwork or non-copyrighted images- final posters must be computer generated.

Printed posters must be 11" x 17"

Student's name and school name should not appear on the face of the poster; each poster will be assigned an entry number.

Due: 10/16/17

Format: PDF

Send to: [ldoyle@mhrd.org](mailto:ldoyle@mhrd.org)

Include: email with student name, teacher name, and school address.

*Note: The winner will be provided with a NJ Science Convention publicity release so that his/her name and artwork can be published on the booklet cover and website of NJSC.*

10 semi-finalist posters will be displayed during the convention and voted on by the attendees for the winner.
