

Consider NJSC

As you consider making a donation to your favorite charities, families, businesses, nonprofit organizations, community centers, consider a donation to New Jersey Science Convention (NJSC).

Donations to NJSC support awards that recognize science community members for their years of service to convention and teacher professional development. They send pre-service teachers to the annual convention and support development of resources that provide the best in professional development for New Jersey science teachers.

NJSC is a 501(c)(3) nonprofit organization and your gift is tax-deductible.

Donating to NJSC is easy! You can donate online at <http://www.njscienceconvention.org/donate-to-njsc.html> or by mail at: John Chapman, NJSC Treasurer, 12 Simpson Road, Somerset, NJ 08873. *Your contribution may be eligible for an employer matching contribution program.*

With your help, the New Jersey Science Convention can continue our 45-year tradition of delivering high quality programs and opportunities that support educators and students in science classrooms all over New Jersey.
